Presenting Magically

Transform Your Presentation Skills With NLP!

Presenting Magically is the ultimate **communication** and **leadership tool**. Whenever you present to someone you are always taking them on a journey into making a decision. Whether that decision involves investing in an idea, learning something new or simply coming around to your way of thinking.

Why attend?

Would you like to be more engaging and effective when communicating with others? Have you ever wanted to present with the **confidence**, energy and **charisma** of the world's most successful presenters and public speakers? Well, now you can!

What will I learn?

Presenting Magically is an accelerated learning program that is different from any other presentation skills course available. Here, you will learn **Neuro Linguistic Programming (NLP)** and how to model, as well as apply, these powerful techniques in achieving excellence as a presenter. This will enable you to learn:

- How to **permanently** eliminate stage fright and performance anxiety.
- How to maintain the ideal "presenter's state" – calm, centered and **balanced**.
- How to quickly and easily **build rapport** with any size or type of audience.
- How to structure your ideas into a concise, crisp and **engaging** presentation.
- How to use specific **body language** and movement to increase your impact.
- How to **entertain** an audience while keeping your presentations informative.
- How to **change** the way your audience reacts from moment to moment.
- How to increase your **personal charisma** as well as the energy in the room.

How is it structured?

This 3-day seminar is an intensive and very fast paced program with an exciting blend of theory and practice. As such, the seminar combines **training, personalized coaching** and **simulation exercises** to create a truly unique and interactive learning experience. Expect to have a permanent physical transformation of the way you present!

Who will benefit from attending?

This program has been specially designed to develop and enhance a participant's current communication and presentation skills, regardless of their current level of expertise. As such, the training is open to the following:

- All presenters, trainers and public speakers - regardless of their experience.
- All professionals, at any level, seeking an edge in their career.
- **Anyone** who wants to dramatically improve the way they communicate and present.

Who is the Trainer?

All courses in Greece are led by **John Stockdale, Certified Master Coach & Trainer of NLP**. John is also the Head of Training and Operations for The Performance Partnership in Greece. An engaging and innovative trainer, he believes that learning should be as enjoyable and entertaining as it is relevant and important. As such, his energy and humor have led him to work with some of the leading professionals in business, sports and politics as well as international organizations, such as: The Coca Cola Company, Nike, BMW and Mercedes Benz.

What if I attend this training?

Just suppose for a moment, that you are about to begin one of the most important presentations of your life. As you look at your audience you feel calm, balanced, and in completely control. You have fun presenting your material, your audience enjoys your presentation and when it's finished...you **actually look forward to doing it again!**
