## Who is the Lead Trainer?

All courses running in Greece are led by **John Stockdale**. John is a Certified Trainer of NLP and Certified Master Coach Trainer of NLP, a Certified Master Trainer of Time Line Therapy® & Creating Your Future® Process and a Certified Instructor of Hypnotherapy. John also runs The Performance Partnership in Greece. An engaging and innovative coach & trainer, he believes that learning should be as enjoyable and entertaining as it is relevant and important. As such, his energy and humor have led him to work with some of the leading professionals in business, sports and politics as well as international organizations such as: The Coca Cola Company, Kraft Foods, ING and Bristol-Myers Squibb.

## How can I learn all this in just 14 days?

Before attending the live seminar you will study from a specially produced **audio-visual program** package consisting of carefully chosen books and 2 training manuals (including CD's and DVD's of the course material). During the live training itself, you will be putting what you have learned from your NLP Practitioner training -as well as the pre-study program- into actual practice. This is accomplished by using a blend of teaching, training and **simulation-based exercises**. Additionally, you will be guided and coached through the entire process by our team of highly trained coaching assistants on the course. Our NLP Master Practitioner Certification program is the only one of its kind in Greece and is **fully accredited** by both the 'Association of NLP' (ANLP) in the UK and the 'American Board of NLP' (ABNLP), as well as the 'Time Line Therapy Association' (TLTA) in the United States.

## So, what if I Attend?

Just suppose you were a **Certified Master Practitioner & Master Coach of NLP** and you knew that you could consult, coach or train a company to have a major impact on their profitability. That you could coach a CEO or Business owner to achieve their business goals or work one on one with any client and enable them to experience a fundamental breakthrough in their life!! What would that be worth to you?

## What has been said about NLP?

- *"It may be the ultimate behavioral engineering tool...NLP could be the most important synthesis of knowledge about human communication to emerge since the explosion of humanistic psychology in the 60's."* -- **Science Digest**
- *"NLP may be the most powerful vehicle for change in existence, whether it is applied to business, law, medicine or therapy"* -- **Psychology Today Magazine**
- *"...NLP offers the opportunity to gain flexibility, creativity and greater freedom of action than most of us now know."* -- **Training & Development Journal**
