How can I learn all this in just 7 days?

Before attending the live seminar you will study from a specially produced **audio-visual program** package consisting of 14 CD's and 1 DVD, a training manual as well as a set of carefully chosen books. During the live training itself, we put more emphasis on you actually *practicing* what you have learned rather than simply understanding the theory! This is accomplished by using a blend of teaching, training and **simulation-based exercises**. Additionally, you will be guided and coached through the entire process by our team of highly trained coaching assistants on the course. Our NLP Practitioner Certification program is also the only program in Greece to be **fully accredited** by both the 'Association of NLP' (ANLP) in the UK and the 'American Board of NLP' (ABNLP), as well as the 'Time Line Therapy Association' (TLTA) in the United States.
